### WHY NOT?

H. Ross Perot wants to move his giant computer firm out of Dallas. It seems the City Fathers slapped his wrist on a property deal so he wants to "take his millions and go somewhere else."

Oswald Sauer of LaCoste sent me the clipping on Perot along with this note:

"Did you see this? Do you think he would locate in Hondo if he knew it was God's Country?"

### MUSEUM DAY

Yep, the idea of a Medina County Museum is still alive. Interest and activity might have slowed to a snail's pace, but it's there.

Proof of the pudding is the scheduling of Museum Day 1971 for May 1. Once again the highlight of the all-day affair will be the Antique Auction. Pleas are going out now to persons who have old items they wish to donate for auction that day. If you have antiques, wonderful; but any old item will do. Contact John Wentz at 426-3334 or me at 426-3346.

And mark your calendar for May 1, because there will be plenty of fun. Oh, yes save your money also; we guarantee you will have an opportunity to spend it.

### SHEDS LIGHT ON SIGN

## '71 plate sale set

License plates for 1971 go on sale Monday in Hondo.

County Tax Collector Alfred Rohrbach said motorists and other owners of motor vehicles and trailers can begin picking up their new plates Monday morning at his office in the courthouse.

Employees of Rohrbach's office will also begin mailing license plates to those who have made prior arrangements in accordance with instructions received from the state motor vehicle division.

## Feedlot suit dismissed

A \$45,000 law suit filed in October 1969 has been dismissed in district court here.

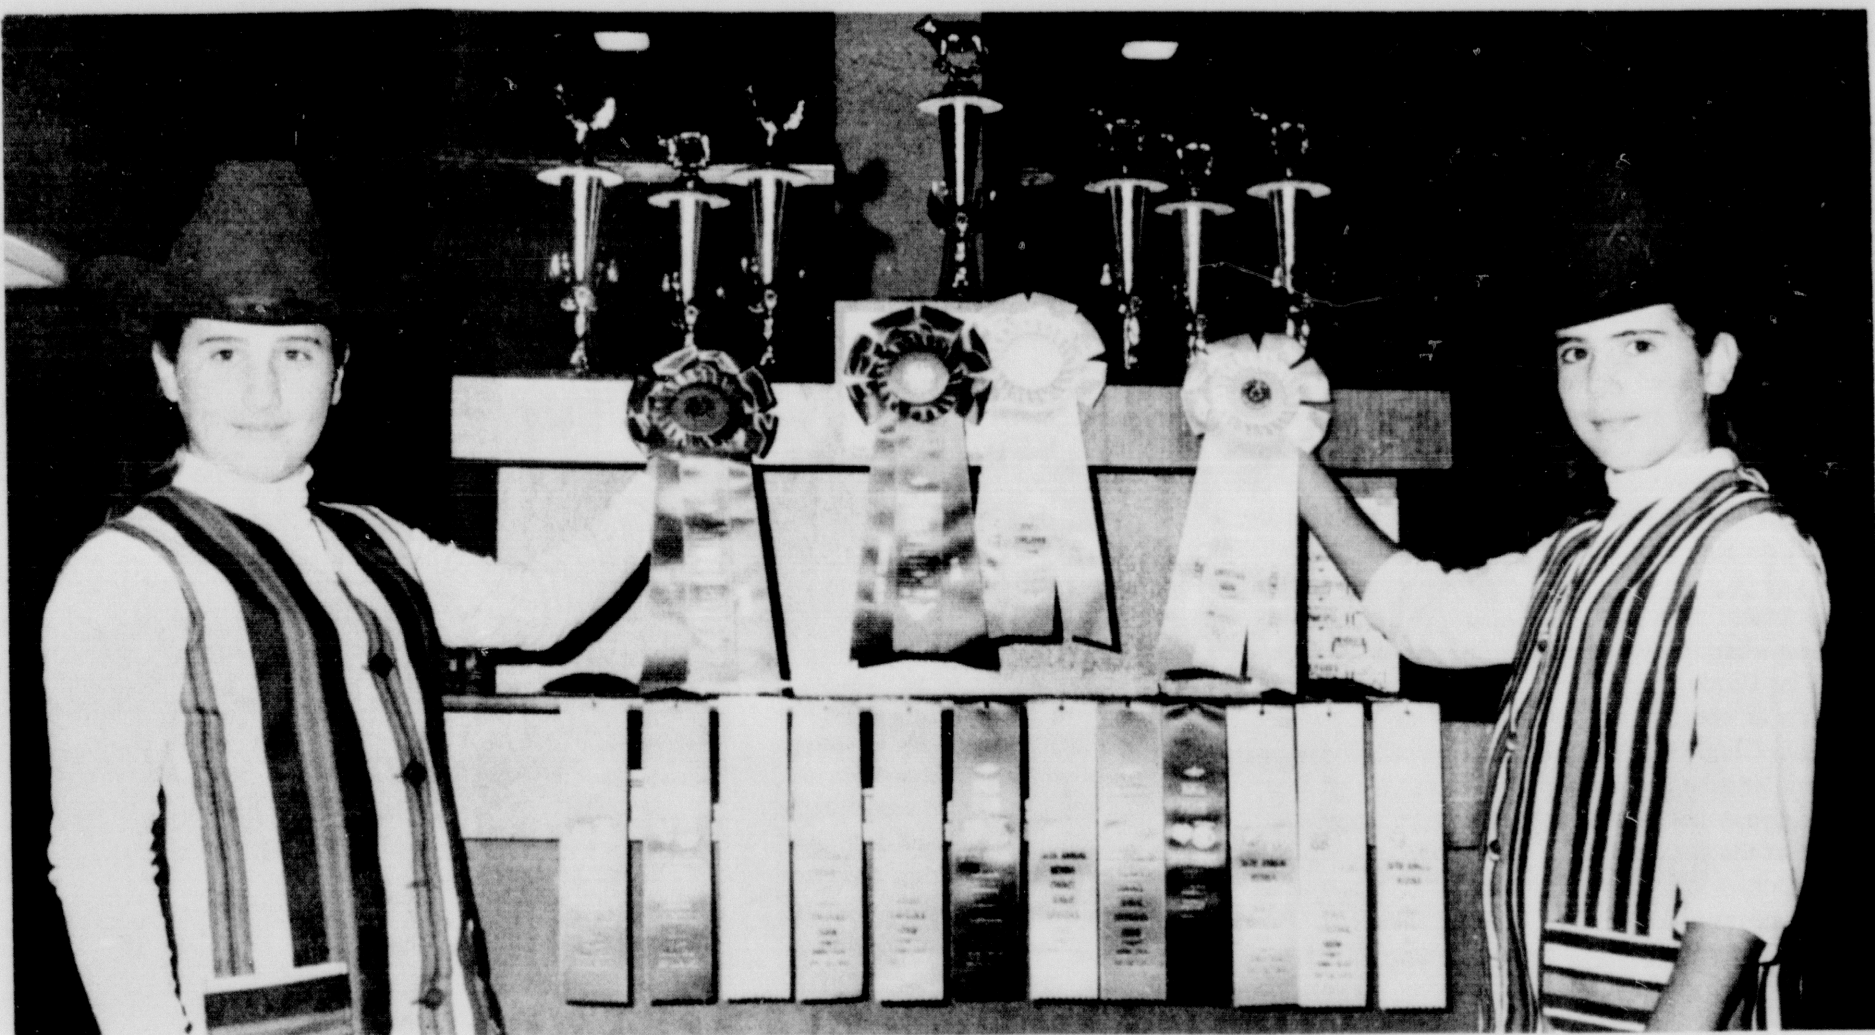

Judge Ross E. Doughty recently dismissed the suit against Cox Feedlot, Inc. in Devine upon motion by the plaintiffs, Joe and Albert R. Vance.

The Vances, who ranch near the feedlot, had charged in their suit that wastes from the feeding operation had polluted their tanks and stream beds.

# Eyes focus on area youth at stock show Monday

Medina County's two-day junior livestock show opens Monday morning on the air base with 359 animals entered.

For months 4H and FFA young people throughout the county have been carefully feeding, pampering and primping steers, commercial calves, hogs, lambs, capons and fryers.

Next week they find out how good a job they've done.

All entries must be at the Hondo Livestock Auction by 10

o'clock Monday morning for receiving and sifting.

At 1:00 p.m. youthful hog raisers will find out how they did when C. E. Vickery, vocational agricultural teacher at John Marshall High School in San Antonio, judges the three classes.

Hogs will be divided into three weight classes, light (190-205 lbs.), medium (206-225 lbs.) and heavy (226-245 lbs.).

Following the hog judging, Gerald Champayne, poultry

specialist, Southwest Texas State College, will begin judging poultry.

Monday's activities end with lamb judging beginning at 3 p.m. Darrel Smith, Uvalde County agricultural agent, will judge the three divisions of lambs; fine wool, medium wool and crossbred. Each division will be further divided into lightweight and heavyweight classes.

Tuesday morning at 9 o'clock steers will be judged by Malcom Osburn, Live Oak

County agricultural agent. For judging, steers will be divided into light, medium and heavy weight classes.

At 10 a.m., judging is scheduled to begin in the commercial calf division, with all animals to be judged in a single class.

The commercial calf sale follows immediately afterward at 11:30, and at 1 p.m. the premium auction is scheduled to get underway.

Seven trophies - shown in the accompanying photo -

have been provided by Hondo National Bank; one for each champion in the seven divisions.

In addition, grand champions will receive purple rosettes, and orchid rosettes will be presented to reserve champions.

Ribbons for places one through nine will go to steer entries, one through 10 in capons, and one through 12 in lambs, hogs, fryers and commercial calves.

Of the 359 entries, 205 are by FFA youngsters, and 154 from 4H.

Members of FFA are entering 13 steers, 82 lambs, 74 hogs, 14 capons, 16 fryers and six commercial calves.

County 4Hers are entering 25 steers, 57 lambs, 46 hogs, two capons, 16 fryers and eight calves.

Combined totals are 38 steers, 139 lambs, 120 hogs, 16 capons, 32 fryers and 14 commercial calves.

Medina County communities take turns hosting the annual event in Hondo, and this year's host is D'Hanis.

Lawrence Rothe of D'Hanis is president of the Medina County Junior Livestock Assn.

The Moos girls in the picture? Both have steers entered.

## George Brucks reports 1970 rainfall for area nine miles north of Hondo

Farms and ranches in the area about 9 miles north of Hondo received 29.30 inches of rain last year, according to George Brucks. His ranch is on the Tarpley Road.

Earlier Adolph Hutzler reported 30.15 inches of rain in 1970 at his place on 173 east of Biry.

However, Hutzler reported no measurable rainfall in

November and December, while Brucks had none in November but, 20 in December.

According to the two men's figures, the area north of Hondo received about .75 of an inch less rain than the area around Biry.

Brucks said his range is still in pretty good shape, with dry grass available to cattle. He said he is resorting only to a minor amount of supplemental feeding, and added that

the relatively good condition of his range is a result of not over grazing.

The rancher said some livestock producers in the area have been giving cattle supplemental feed for quite some time because of the drought.

Brucks said that if the area doesn't receive rainfall soon, he'll have to begin heavier supplemental feeding.

In many cases, he said, small grains have not come up

because of the drought. Where oats and other small grains have come up, Brucks said, cattle pull the stalks from the dry ground, eat a bit, and drop the rest.

Rainfall measured by Brucks for the year was:

Jan., 1.20; Feb., 3.50; March, 1.70; April, .60; May, 5.30; and June, 2.30.

July, 3.60; Aug., 2.10; Sept., 7.90; Nov., none; and Dec., .20.

## Virus shuts down Natalia schools, threatens D'Hanis

A viral respiratory ailment which closed D'Hanis schools last week, shut down Natalia schools Tuesday and Wednesday.

At the same time, large numbers of students were absent again at D'Hanis, but Superintendent Roy Kile said he'd wait until this (Thursday) morning before deciding whether to close again.

Superintendent James Barta at Natalia said 225 of the school's 825 students were out Monday. He closed the schools until this morning when the facilities were opened again with a "wait and see" attitude.

Barta indicated that if absenteeism is still high today, school will be closed again.

At D'Hanis, Kile was toughing out each day hoping for an upturn in attendance.

Last week Wednesday D'Hanis schools were closed for the rest of the week when about 50 of the school's 300 pupils were out. However, when classes were resumed Monday, an estimated 60 to 70 students were absent, and absenteeism remained right around the 20 per cent mark Tuesday.

Kile said Tuesday he'd wait until Wednesday to decide whether or not to close. Wednesday, still with around 20 per cent of the student body absent, Kile said he would "... try it for the rest of the day."

At Meyer Elementary School in Hondo, about 80 students of the 630 enrollment were out of classes last week. Average ab-

senteism for this time of year, Principal Newell Woolls said, is around 50 to 55 students.

Monday morning Meyer School reported about 130-135 students absent, with a number of youngsters being taken home ill after reporting for class.

Tuesday about 106 were out, and before the day was over, about 10 more children were taken home. Wednesday morning 121 students were absent.

However, J. G. Barry, superintendent of schools, said the administration was not considering closing Meyer, Hondo High School continues to have a few more students than normal absent for this time of year.

Principal Bob Nations said the normal rate for January is 15 to 20 students absent daily. However, for the last week or so, Hondo High has been having about 30 to 35 students absent daily.

Absent rates were running normal for January at Lacy School last week, but this week the rate rose with about 82 students missing from classes Tuesday out of an enrollment of 532.

Wednesday morning, however, Principal E. J. Hilsher said absentees had dropped to 57.

Elsewhere in Medina County, both Medina Valley and Devine schools reported attendance about normal for January.

Spokesmen at both Universal-Rundle and Gary Aircraft in Hondo said there was no increase above normal in absenteeism.

## Register to vote - it's free!

Saturday will be the last day to register to vote in elections to be held after March 1. Officially, Jan. 31, is the deadline, but since the 31st is on a Sunday this year, the real deadline will be Saturday, Jan. 30. Normally, all court house offices are closed Saturdays, but County Tax Collector Alfred Rohrbach said this week his office will be open until 4 p.m. Saturday. Rohrbach said

the office will be open as a convenience to those who have put off registering until the last minute. Tuesday morning 3982 Medina County residents had registered to vote. Although there are no federal elections scheduled this year, voters will be choosing city officials, and many believe there will be a special election called to vote on constitutional amendments to be proposed

# Letter explains Hondo sign

Dear Mr. Lawrence,

Your story about the sign at the entrance to Hondo recalls some of the incidents that led to its adoption as a slogan for our town.

The minutes of the Lions Club of the late twenties or early thirties should give the date when the sign was first erected.

I was present as a program guest when the idea of a slogan for Hondo was discussed at a luncheon meeting of the Lions Club. The president commissioned each member to compose a slogan to be presented at the next meeting.

My father, W. N. Saathoff gave an account of what happened at that meeting. He said that during the luncheon he handed a card upon which he had written the words of the sign to Elbert de Montel (Curly) who was seated next to him. He really meant it to be a joke, although it did express his feeling.

When the president called for the assigned slogans nobody offered one, but Mr. Montel called out, "Prof has one. Make him give it to you."

The president asked him to turn it in, and after a good laugh it was adopted.

After the sign had been on the highway a while one of the ministers declared it very undignified, and created enough opposition to have it removed.

In the meantime the sign received publicity in Ripley's "Believe it or not" and several other publications, the minister moved away from Hondo, the Lions' courage returned, and the sign was restored.

Some of the members of the Lions Club at that time were Dr. Smith, Dr. Knopp, Mr. Henry Merriman, Mr. Earl Boon, Mr. Elbert de Montel and Mr. Saathoff. I'm afraid to mention names of a few still living. They may deny having lived that long ago.

I'm sorry that I cannot give the exact date of the origin of the sign.

Sincerely yours,  
Irene Marshall

(Mrs. Mark Marshall)  
P.S. You may enjoy this little incident which also happened at a Lions Club Luncheon.

To raise a little extra money the club assessed fines for any disregard of table manners and also for not eating everything that was put on the plate.

One gentleman was quite upset because they fined him for drinking his tea while the spoon was still in the glass -- the spoon held safe in the crook of his finger.

Dr. Smith was fined because he left the cucumbers on his plate. He gladly paid the fine with the explanation, "I refuse to eat anything a hog won't eat."

I was curious. The next day I fed our pig cucumbers, and, sure enough, he didn't eat them.

Mr. Burmis Lawrence:

Glad you had the time to visit the other day and thanks for lunch.

I look forward to coming back to Hondo and wrapping

up some more interviews. I kinda like God's country.

I'll let you know when some of the Hondo stuff will be sent down. Best of luck, Bum... I'll be sure to see you when I'm in the neighborhood. If you're ever out here, stop by.

Bob Lewis  
(Tumbleweed Smith)

Dear Editor:

Last Friday night, Edna and I were awakened by a strange noise about 60 yards from our house. The noise sounded like some animals, mad or in serious distress. Taking my shotgun, I approached a reasonable distance and turned on a good light.

Coyotes scattered, and upon closer examination, I found a doe, still alive, but dying. Both hind quarters of the grown doe had been mostly eaten away by the coyotes. Numerous tears in her skin were evidence of a serious battle. I immediately shot the doe to get her out of her pain.

The next morning, my brother, James, and I set six traps around the doe, hoping the coyotes would return the next night, but to no avail.

It is our opinion that small calves in the area were in serious jeopardy. We surely agree with Herman Ney, and feel that perhaps bounty on the coyotes would appropriate.

# State legislature ready to 'get on' with chores

By John H. Poerner, State Representative, District No. 49

"Activity on Capitol Hill was dominated by social affairs and other activities relative to the inauguration of the Governor and Lt. Governor. These affairs are pleasant, yet I think most legislators are glad when inauguration week has been completed so that we can go to work for the purpose of taking care of the business of State. Wayne Newton was excellent on Monday night and the various inaugural balls on Tuesday night featured Ray Price, Faron Young, Russ Morgan, Buck Owens, Jeannie C. Riley, and The Gripping Force. The square dance event at Gregory Gym was most outstanding. There were many participants in the square dance program from Hondo and Uvalde and from my observation they all had a wonderful time. The Hondo High School band accepted the Governor's invitation to perform in the inaugural parade and they were very fortunate to be the only high school or college band photographed in The Austin American the following day.

FARM BUREAU LEGISLATIVE SEMINAR - "Rural Texas presented their views to members of the Legislature on

Wednesday night through local representatives of the Farm Bureau at a legislative dinner. It was encouraging to me that many of the Farm Bureau members took time to visit at my office and discuss matters of legislation pending before the Session. As the coming week's calendar becomes closer in focus, I find that many business and interest groups are going to be in Austin for various legislative seminars and it is always an honor for me to welcome people from my district to the Capital.

### GOVERNOR'S MESSAGE -

"The Governor addressed a joint session of the House and Senate on Wednesday at which time he advocated the principle of deficit spending to take care of the State's present financial problems. By supporting the 'Cavness Plan', he suggests that we use money presently secured and perpetuated in the Permanent Free School Fund to finance many of the needs for educational buildings and for the mounting problem of welfare. I have strongly opposed this procedure because I know of no way we can pay our bills other than 'with money'. I, for one, have always been proud of the State's 'pay as you go' basis because it gives an immediate reading of our financial standing. Any other method would encumber the earnings of our children and grandchildren for centuries to come and I think we have had too much of that at federal level.

COMMITTEE ASSIGNMENTS - "Permanent committee assignments on Thursday were very generous to me as I received the honor of being

ing Vice-Chairman of the Livestock Committee. My district is gravely concerned with water issues and I certainly welcome being placed on the water committee, which is called Conservation and Reclamation, Mental Health and Mental Retardation has many problems and I certainly will look forward to offering my experience on that committee. Frio and Dimmit Counties had many problems pertaining to Parks and Wildlife and it gives me a great advantage in looking after their problems by being on this committee. I guess the greatest surprise was being placed on State Affairs. This committee handles all the major legislation pertaining to the State's functions and, other than the meetings going throughout the night, I know it will be a great experience to serve on this committee.

CATTLE BRANDS - "Mrs. Gay Hines, County Clerk of Dimmit County, requested that I introduce a bill to permit her office to cancel cattle brands and reissue on a preferential right basis. All ranchers will be able to retain their old brands upon request within a given time. The purpose of the bill is to allow the County Clerk to reassign brands that are no longer in use because of discontinued ranches or change in brands. There will be ample time and there will be ample notice about the effects of the bill upon passage, however, I am sure Mrs. Hines will make certain that everyone's existing brand is fully protected.

### STILL WATER RUNS DEEP

I did not have to go far this week to hear a most touching story. Just to the couch and a conversation with my wife, who has a most rewarding job of placing young children for adoption (another story that I will go into more fully at a later date). An incident she witnessed made good listening. I pass it on for your consideration.

Patricia recently placed a young seven year old girl in a South Texas home that had two boys, one about 14 or 15 and the other about 12.

Naturally, the family had its adjustment problems as did the new member. Yet, at no time could the parents see too much demonstrative action, one way or another, on the part of the older son.

Then came Christmas, and at school the older boy's teacher had his class make a series of extemporaneous speeches. She would assign the subject in class and bingo the student would have to stand up and talk.

It came this boy's turn and she told him to imagine he was a being from another planet. He had visited Earth at Christmas time and was back home describing the observance to his people.

The teenage boy began: "Earth people celebrate the birthday of a man named Christ who was born 2,000 years ago. When He was born countries were fighting, men were killing their brothers and chaos reigned."

"He was born to bring love into the world, to cause men to love their brothers and to live in peace."

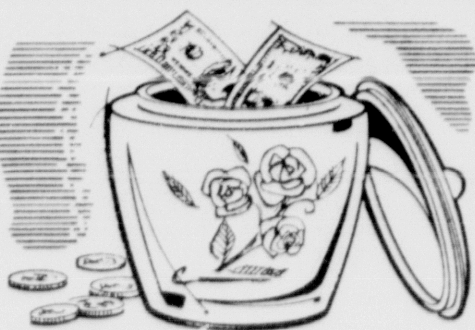

"When I saw Earth in 1970 it seemed as if those years had brought no change from when he first arrived. Countries were fighting; men were killing other men; people seemed to have no love for their brothers."

"Then I saw a home in a small South Texas city. Inside that home there was joy; there was love. A young sister and daughter had recently arrived. Her coming had brought great changes to the house; and she had even affected the neighborhood and the small town."

"Her coming had brought the family closer together; members now had something to share, something on which to bestow more love."

"I looked at that family in that small South Texas city and saw joy on their faces and love in their hearts on having this new family member and I tell you I knew this was what Christmas meant. This was the real Christmas, the real meaning of the Earth people observance."

The teenage boy who plays football, baseball, basketball and other sports with such abandon, who like many teenagers seldom show outwardly what they feel inside, sat down. And his story when re-told to his parents by the teacher brought tears of pride to their eyes. They knew then they had made the right decision in adopting a young sister for their sons.

1970. Her husband, Ernest Gross, died in 1962. She is survived by one son, L. E. Gross of Hondo; two grandsons, Michael Gross of Little Rock, Ark. and Hance Gross of San Antonio; and one brother, Joe Rugel of Carrizo Springs.

## Ministers installed at St. John's

Five Hondoans were installed as extraordinary min-isters of St. John's Catholic Church here Sunday morning. Installed by Rev. George Stuebben, parish pastor, were Armando Villarreal (second from l-r), George Schmidt, Jimmy Tschirhart, Milton Renken and James Richter. Rev. Emmett Carolan is at left, and Rev. Stuebben at the right.

As extraordinary ministers of Holy Communion, all five will be able to distribute Holy Communion both during mass and outside mass where the need arises, especially to the sick and dying. At mass they may also receive Holy Communion under both species.

## St. John's elects board members

New board members to St. John's Parish Council were installed Sunday by Rev. George Stuebben, pastor of St. John's Catholic Church in Hondo.

Those installed were (l-r) Jessie Rod-riguez, Henry Stiegler and Milton Renken. Rev. Stuebben is at the right.

## Box car rolls in on fire

Hondo firemen extinguish-ed a fire in a box car early Saturday morning on a west-bound Southern Pacific freight train.

The blaze was believed to have been started by some-one trying to keep warm in the empty car after hitching a ride on the train.

Ken Beard, en route home from San Antonio, saw two men standing in the smoking doorway of a box car between Dunlay and Hondo. The pair, he said, were waving franti-cally.

Beard sped into Hondo, going to the SP depot just west of town, where he tried to ex-

plain that a box car on approaching train was afire.

Before he could get his message across, the freight roared past, and the flaming car was spotted. The train engineer was notified by ra-dio, the train stopped, and fi-remen were called shortly be-fore midnight Friday.

Crewmen said they thought they had noticed something wrong when the train made the curve at Dunlay, but decided the station agent would let them know when they passed through Hondo.

## New phone books due next week

New Hondo-Yancey tele- phone directories will be mailed to telephone custom-ers beginning Tuesday, Feb. 2, according to Harold John-son, Southwestern Bell man-ager.

There are no major chang-es in the format of the 1971 directory. The Call - Guide section with information on telephone service is located in the front of the book and e-mergency telephone numbers listed on the inside of the front cover.

Johnson said some 3,000 new directories will be distri-buted. The 1971 book cover is illustrated with a photo-graph of the Governor's Man-sion in Austin.

## Two held

A San Antonio man and his sister have been charged with the January 15th burglary of the Gerald Nickle home 17 miles northeast of Castroville on FM 471.

Medina County Sheriff Charles J. Hitzfelder said Jer-ry Lucas, 25, and his sister, Mrs. Diane Rose Thompson, 21, were arrested in San An-tonio at their home Wednes-day afternoon last week.

Hitzfelder and a Bexar County deputy made the ar-rests, and bond was set at \$25,000 each by Justice of the Peace Gutierrez in the Alamo City.

Warrants for the arrests were issued by Justice of the Peace Harold Herring in Hon-do, and Hitzfelder signed the complaint charging the pair.

Eight guns and five pieces of fishing equipment were taken in the daylight burglary of the Nickles home. Entry was gained by breaking in a back door to the home.

## Lions club accepting memorials

Memorial contributions may now be made to the Hon-do Lions Club Scholarship Fund, President W. S. Duty announced last week.

"The Scholarship Fund for a deserving Hondo High School graduate was approved last year by the Hondo Lions," Duty said.

"Then this month mem-bers approved a memorial con-tribution to the fund should anyone desire to take this means of honoring a loved one or a friend," he added.

With the help of the Lions-Faculty football game last fall the Scholarship Fund now stands near \$350. "We will sell a calf in the near future to increase this amount," Du-ty said.

## Runaways are sought

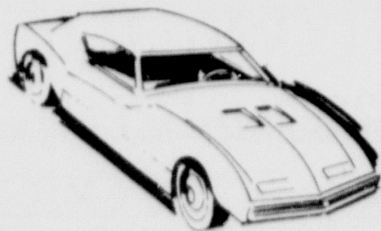

Sheriff's deputies are look-ing for three Natalia runaway juveniles for questioning in five burglaries committed in that community Sunday night.

Sheriff C. J. Hitzfelder said mostly money was taken from Natalia Cleaners, Nata-lia Tavern, Bradley's Groce-ry, Natalia Mobile Station, and a residence.

CAMP FIRE PROGRAM CAN ADAPT TO ANY SECTION

Parents attending the annual Campfire Girls banquet Monday heard a talk from Jon Dee Lawrence, San Antonio attorney, second from left. After the meeting these four gathered to discuss areas covered in Lawrence's speech.

Talking left to right are: John Wentz, vice president; Lawrence; Jackie Winkler, outgoing president; and Ward Pope, representative on the national Council.

"If the only purpose of Campfire Girls is to produce sweet and pretty little girls in uniform, then the organization would be useless."

So declared Jon Dee Lawrence, president of the Alamo Council of Campfire Girls, Monday night at the annual banquet of the Medina Campfire Girls Council.

"The organization can serve

a need that is not being filled," he pointed out. "The program can adapt to any section and any environment and national leaders are going to take a stand on the big issues of today so that the program can identify with our young girls."

Lawrence, a former resident of Weslaco and a two-term president of the Alamo Council, said he does not be-

lieve that moral decay is a great blight on our country. "Children today are looking for something, and I don't think they are finding it in organized groups. That is why Campfire Girls must become more flexible," he said.

The speaker pointed out that the Alamo Council has projected a bold plan that will seek support from San Antonio leaders in the amount of \$2,500,000 over the next three years.

"We envision a complete, well-rounded program direct-

ed by an executive director and professional staff," he said.

Lawrence also pointed out that closer cooperation is essential between councils. "We have begun negotiations to perhaps share the fine Camp Mary Louise with the Medina Council," he pointed out. He revealed that through the help of the Alamo Council Camp Mary Louise recently received 100 metal bunk beds.

Election of new officers provided another highlight to the banquet. Newell (Bud) Woolls is the new president

succeeding Jackie Winkler.

Other new officers include: John Wentz, vice president; Mrs. Robert McGarity, secretary; Mrs. Ray Mumme, treasurer; and Mrs. Glen Duncan, registrar.

New directors, in addition to officers, include: Mary Ruth Cameron, Mrs. B. P. Strunk, Mrs. Burnis Lawrence. Present directors are Jackie Winkler, Tom Hollmig, Clayton Woolls and Ben Graff, Jr.

Mrs. Jim Amberson is representative of leaders association.

## Showers honors recent bride

A tea shower honoring Mrs. Bill Halliburton, the former Helen Lutz, was held Saturday in the home of Mrs. J. Melvin Finger. Joining them in greeting the guests were the new bride's mother, Mrs. Charles Lutz of Hondo, and her mother-in-law, Mrs. Floyd Halliburton of Devine.

The serving table was covered with an overlay of yellow net and featured a centerpiece of white stocks with yellow and white Shasta daisies intermingled with tall yellow tapers. Individually decorated cakes and fruit punch were served from crystal appointments. Servers were Miss Mary Zuberbueler and Mrs. Bill Bywaters.

Assisting Mrs. Finger as hostesses were Mmes. Terry Tilley, Virgil Krenmueller, Newell Woolls, Harvey Renken, W. A. Bendele, Jay Finger, Tommy Fitzpatrick, Bill Bain, Jack Snyder, Richard Rohrbach, Larry Griffin, Gene McCulloch, Ray Mumme, Jim Gray and Les Schumann.

Also, Misses Mary Zuberbueler, Connie Saathoff, Wendy Porter and Rita Muennink.

Sunday dinner guests of the Johnnie Schweers were Jose and Dot Bayliff, Gay, Peg, Keith, Cathy, Linda and Kevin Johnson and Cathy Perry, all of SA. All wished Johnnie a happy 39th birthday.

### Miss Jo Ann Lessing feted

Miss Jo Ann Lessing, bride-elect of Wes Dankdef, was complimented with a miscellaneous shower Jan. 15, in the home of her aunt, Mrs. Frank Lessing, at Macdona.

The honoree was presented a corsage of green and white flowers. She was assisted at the gift table by her sisters Misses Beth and Janet Lessing. Her sister Carolyn Lessing passed the gifts around for guests to see.

The serving table was cov-

ered with a white lace table cloth and centered with an arrangement of green and white flowers.

Refreshments were served by Liz and Valeria Field to 25 guests.

Out-of-town guests included the honoree's mother, Mrs. Walter H. Lessing and Christi of Devine, and her cousin, Mrs. Gail Roberts and Samantha from Whittier, Calif.

Mrs. Leroy Field was a co-hostess with Mrs. Lessing.

## Home demonstration agent gives home study course

Regardless of the state of your financial health now, you can improve it by making and using a spending plan. A budget - or spending plan - is a tool to help you spend money wisely and reach your family goals. A budget can help cut out inefficient spending and give your family more for its money. Of course, preparing a budget takes planning and determination. You'll need cooperation from the whole family.

To be workable, your budget should be tailored for your own family's needs and income. You'll find it easier to keep track of your plan if you keep records of your spending. The record need not be

expensive or elaborate - a loose leaf notebook is excellent for this purpose. Several types of financial record books are available in variety and stationery stores.

If you would like more information on how to develop and follow a spending plan that you can use to make your dollars respond to the wishes of your family, enroll in the home study course being offered by your County Home Demonstration Agent, Barbara Fowler. Write her at Box 445, Hondo, Texas. A \$1.50 enrollment fee will be charged to cover the expense of the reference bulletins that accompany the course.

# Edwards Water Board studies Seco and Leona dam projects

The newly-elected Directors from the five-county areas of the Edwards Underground Water District, Ralph H. Harris III, Uvalde County; Lawrence Roth, Medina County; Henry Van DeWalle, Bexar County; Elton Erben, Comal County; and Robert Knispel, Hays County, presented their oaths of office for a six-year term on Jan. 12.

Election of officers was then held and Chairman Paul W. Jahn who has served in this capacity since Aug. 1959 advised the Directors that while he wished to continue as a member of the board, that he recommended that another be elected chairman. William H. Spice, Jr. of Bexar County was elected chairman. Bradley Bailey of Medina County, vice-chairman, Lawrence Roth of Medina County was re-elected treasurer, and D. B.

Denney, Jr. of Hays County, secretary.

A tax of 2¢ on each \$100 of property valuation within the district for the year 1971 was then voted.

It was the unanimous feeling of the directors that in view of the fact that some \$450,000 was available in time deposit for use by the district from previously collected taxes, that action should be taken to construct one or more recharge structures. The manager was directed to investigate the feasibility of the district constructing one or more dams in connection with the Soil Conservation Service small water-

shed projects on Leona River Watershed in Uvalde County, and/or Seco Creek Watershed Project in Medina County. Report is to be made to the board of directors on the additional recharge to be obtained and the cost to the district in order that action to initiate construction can be taken.

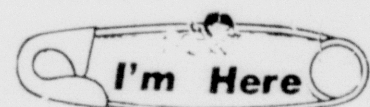

A 1971 budget of \$66,560 was adopted, including an estimate of the amount to be spent for the continuing cooperative study carried on with the U.S. Geological Survey in the amount of \$30,000.

The Edwards Bulletin for January lists the following figures for Medina County well levels for 1970:

Castroville, surface elevation, 756.8; recorded low on Aug. 18, 1956, 622.3; recorded high on Feb. 23, 1961, 710.3; Oct. 30, 1970, 689.2; Nov., 1970, 687.7; Dec., 1970, 687.8.

Well No. 1-3-148 at Hondo, surface elevation 956.1; recorded low Aug. 17, 1967, 682.3; recorded high, March 3, 1961, 733.7; Oct. 1970, 712.1; Nov., 1970, 710.0; and Dec., 1970, 710.0.

Well No. 1-4-12 14 miles southwest of Hondo, surface elevation, 950.0; recorded low Aug., 1956, 658.6; recorded high, Feb. 22, 1961, 769.9; Oct., 1970, 747.5; Nov., 1970, 746.6; and Dec., 1970, 744.3.

## That's all she wrote

by Edna McDade

Home is the wanderer. Someone said that the quickest way to make time pass in a double-barreled hurry is to sign a note payable in 60 days.

My Lancaster holiday lasted exactly 60 days and time could not have passed more quickly or more pleasantly. However, be it ever so jumbled, perhaps there's no place like home in Hondo.

So many have greeted me with the typical welcome-back that I am most appreciative of the heart-warming courtesies.

\*\*\*

Robert Frost to the contrary notwithstanding, good fences are not required to make good neighbors out of the F. D. (Annie) GARRISONS. Ask anyone who lives in this neighborhood.

However, their new fence did perk up their attractive yard and adds much to Hondo's community civic pride.

\*\*\*

Although I have not found (or made) time for a drive around our town, I note that it is still making building progress. Keep on and we might be able to match or top the record set last year.

Adding to our brag-file are the new buildings now occupied by DOROTHY'S FLOWER SHOP, on Hwy 90, and the one now under construction for BLUEBONNET CLEANERS.

Before I left, ODELIA GARCIA had told me that waiting to get the new project started seemed like "forever". Next thing she knows, Bluebonnet will be doing business at the same old stand in brand new quarters.

\*\*\*

When I registered to vote, just after my return, I noted some changes on the application form. For the age-shy woman (which I am not, what's-the-use) there's space provided for sanctuary in the "over-21" box.

FRANCES PFEIL, who processed my registration, noted that it is no longer necessary to state one's occupation. An advantage for me now that I no longer have a recognized one.

Frances said it was also a big advantage for her. She had told Dr. M. W. SHARP in Castroville, "Now, I don't even have to worry about how to spell VETERINARIAN!"

\*\*\*

When I took some pictures to GEORGE DAWSON to be framed, he said my order came "somewhere in between".

I asked, "Between what?" and he showed me two orders he had begun work on that day. One gold frame measured a tiny 1 1/2 x 2 inches. The other was to frame a handsome tapestry which measured 6 x 4 feet.

The Dawson slogan might well be "No job too small or too large."

\*\*\*

Although I knew that our Hondo National Bank identified itself as "The Friendly Bank", I had not noted until this week that many of the bank's personnel wear hand-clasp pins to symbolize the slogan.

SHIRLEY BRADEN said that officers, and employees with more than five years service, are presented pins to mark their terms as staff members.

MONA KOCH holds title to seniority in service if not (let me hasten to add) in years. Certainly she typifies for the entire staff the friendliness with which they greet the bank's customers and serve their daily needs.

Not once has anyone questioned "You mean that's ALL?" when I make my 3-figure deposits -- if you count the two after the dividing decimal mark!

Seriously, courtesy pays the biggest dividends of all when it is extended and accepted in the spirit in which it is intended.

\*\*\*

My return finds my typewriter with a voracious appetite for news. Please help me to help keep it appeased.

## District court trials are set

Five defendants are scheduled to go on trial in district court here this (Thursday) morning at 10 o'clock.

Scheduled for trial are Marcos Gonzales and John

## CARDS OF THANKS

With sincere appreciation I  
extend my thanks to all  
friends, relatives and organi-  
zations for the many prayers,  
cards, flowers, donations and  
visits during my stay in the  
hospital and while recuperat-  
ing afterwards. Especially do  
I want to thank Pastor Han-  
nemann for his visits and  
prayers, also the doctors and  
hospital staffs. Your thought-  
fulness will always be re-  
membered. May God Bless  
you all.

## Poteet falls

# Hondo ends loss skein, 75-63

Coach Dan Keath's Owls got back onto the winning side of the ledger Friday night with a 75-63 victory over Poteet. The Owl win was the second against three losses in District 28-AA play, and their seventh victory against 9 losses on the season.

Sophomore Keith (Kebo) Ligon led all scorers with 25 points. Two other Owls were in double figures, Eric Grant getting 16 and Gordon Wiemers 13. Ronnie Gasch led Aggie

scorers with 24 points, and three other Poteet players each scored 14 points; Dan Tuttle, Dan Vargas and Everisto Oliva. The Owls started slowly before taking a 13-12 lead near the end of the opening quarter

on a pair of free throws by Ligon. His first shot tied the score, and the second put the Owls ahead to stay. The score was tied twice during the quarter, and the lead changed hands five times. Hondo started the second quarter with a 15-14 lead, and then surged to a 23-point quarter while Poteet managed only 15 points. The Owl half-time lead was 38-29. Poteet rallied for the Aggies best point production in the third period, scoring 18 points. However, the Owls also scored well, hitting 21 points to widen the margin to 59-47 at the end of the quarter.

Both teams got 16 points in the final quarter. Hondo cashed in on 19 free

throws out of 30 attempts, and Poteet was 11 for 20 at the line.

The Owls had 27 turnovers, and the Aggies turned the ball over 21 times.

HOW'S A FELLA GONNA SHOOT WITH YOU GUYS AROUND? . . . Eric Grant is fouled trying to get shot off through clubbing arms of Poteet's Dan Tuttle (15) and Mike Poppell

## Wildcats unbeaten in District 28-AA

Loop leading Carrizo Springs kept its undefeated District 28-AA cage record intact Tuesday night with a 59-39 win over Pearsall. The Wildcats' Al Majek

got 14 points, but his teammate, Bookout, paced all scorers with 20 points. Allan Lawler had 17 for the Mavericks.

Devine's Warhorses maintained their hold on second place with a 7-1 record after soundly drubbing Poteet's Aggies 81-33.

Five Warhorses scored in double figures as Devine raced to a commanding 42-15 half-time lead. Gary Smith was the high point man with 18, and Chris Wiemers had 15. Littleton scored 11, and Ted Shults and Paul Jette each had 10.

Ronnie Gasch's 10 points were high for the Aggies.

At Medina Valley, Demitrio Garza's 16 points paced the Panthers to a 69-41 victory over Southwest. The win left Medina Valley tied with Pearsall at 5-3 in loop play, while the Dragons have yet to win a game in the district.

## Cotulla falls to Owls

Hondo got started on the right foot in the second round of District 28-AA play Tuesday night with a 66-48 victory over Cotulla. The game was played at Cotulla.

All but 15 of the Owls' points were scored by Eric Grant and Keith (Kebo) Ligon. Ligon paced all scorers with 26 points, while Grant had 25.

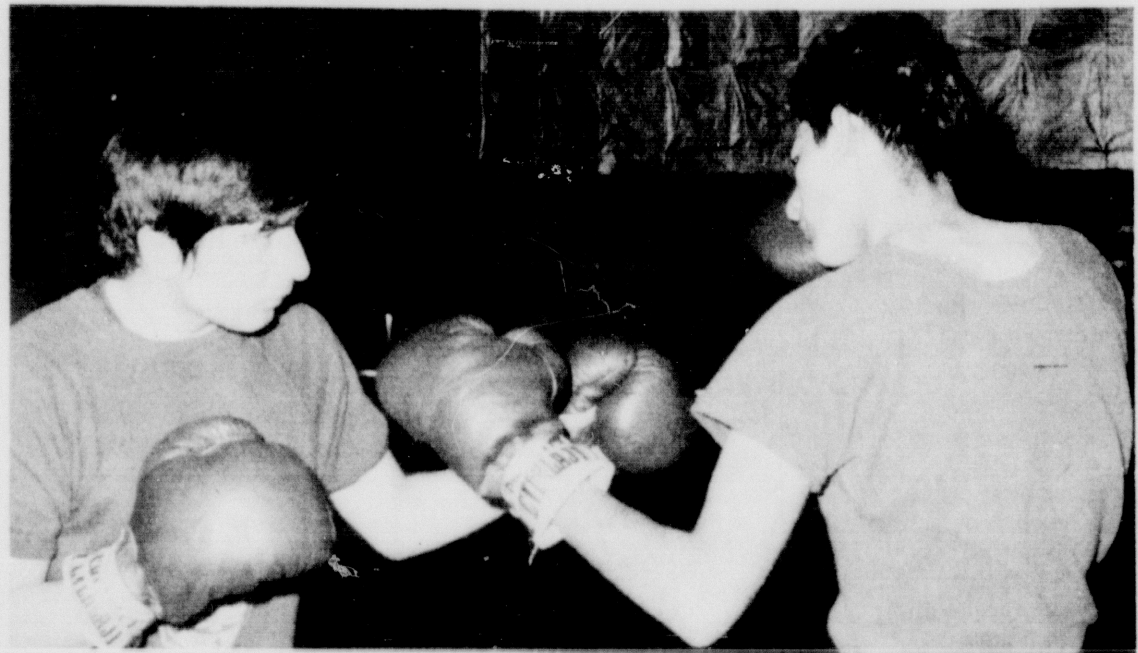

Ligon had 11 field goals and was 4 out of 7 at the free throw line. Grant had 12 field goals - 5 of them in the big 28-point Hondo fourth quarter - and made one of the two free throws he shot.

Ruben Lopez scored 16 points for the losers.

The Owls started slowly, and were behind 13-12 at the end of the first quarter. They outscored Cotulla 15-11 in the second period for a 27-24 half-time lead.

Both teams turned in their poorest scoring of the evening after half-time, the Owls scoring 11 and the Cowboys managing only 10.

Then Hondo blew the game apart in the fourth period, led by Grant's 10 points plus 7 from Ligon, the Owls poured in 28 points while Cotulla managed only 14.

## Fighters prep for Golden Gloves

Roland Ramirez (l) and Bobby Alcaraz are just two of 15 Hondo boys who will be entered in Golden Glove competition in San Antonio at the Municipal Auditorium. The fighters are trained and coached by Jessie

Dominguez at Hondo Athletic Club on Avenue M. Hondo's city council recently approved an expenditure of \$200 in recreational funds to buy boxing equipment for the Dominguez civic project.

### LOCAL BOY WINS

Hondo's Roland Ramirez outpointed David Segovia Wednesday night in Golden Gloves competition in San Antonio. The win gave Ramirez one victory against one defeat.

Two other Hondo Golden Glovers, Bobby Alcaraz and Ramiro Martinez will fight tonight were scheduled to fight last night in the Alamo City.

## Pilot training spots open

Openings are still available for area civilians or Air Force Reservists in a new pilot training program offered by the Air Force Reserve, according to Col. William A. Willis, Commander of the 433rd Military Airlift Wing (Reserve) Kelly AFB.

The Air Force Reserve has received more than 100 training quotas for persons interested in an under-graduate officer pilot training program during this year. These openings are available to qualified civilians or any non-rated commissioned Air Force Reservist in this area who would be less than 26-1/2 years of age on class entry date.

Applicants must meet the following criteria: (1) be a

commissioned officer in the Air Force Reserve or qualify for a course which will give him a commission prior to entry, (2) have a baccalaureate degree, (3) meet the medical standards specified for pilot training, (4) must have obtained satisfactory scores on the Air Force officer qualification tests, (5) must sign a statement of agreement to remain in the Air Force Ready Reserve and maintain flying proficiency for five years after completion of undergraduate pilot training.

All personnel, Reservists or civilians, meeting these qualifications are urged to contact M/Sgt. Werner Holt at the 433rd MAW, Kelly AFB, telephone 512-925-7895 for an immediate interview.
